### UTICA PUBLIC LIBRARY: A SOCIAL LIBRARY

Your local library has gone social!  
Explore new ways to use your library  
through your favorite social media sites!

## Social Library for Social Lives

*Enjoy the ease of access from home*

## CHANGING THE WAY YOU THINK ABOUT YOUR LIBRARY

- Access the library from your favorite social media sites
- Find out about library hours, events, and services
- Interact with librarians and other users
- Get updates on new material
- Get notifications when your materials are available
- Learn what's happening in your community
- Ask questions, get answers

The Utica Public Library is expanding its range of services throughout the community. By integrating the use of popular social media sites, the library is bringing easier access to a broader range of community members.

Through the project the library seeks to follow its mission of providing access to knowledge to all members of the community while modernizing to keep its function and vitality in today's increasingly social society.
